Terms & Conditions of Our Dental Warranty

- You must remain an active patient of Wildflower Dental for the term of the warranty.
- You must maintain a schedule of regular recall appointments, to include a minimum of an oral exam every 6 months, a cleaning every 3-12 months, bitewing x-rays every 12 months and comprehensive x-rays every 5 years.
- You must maintain a high standard of home dental care on all remaining natural teeth with a minimum of brushing and flossing two times per day.
- We will replace the restorative dental work at no additional cost for either materials or labor if there is a failure in the fabrication and if all limitations are met.
- The warranty is null and void if the failure of the restorative work is due to abuse or negligence due to any form of mistreatment. This includes but is not limited to, biting into objects not meant for ingestion, chewing ice, self-adjustments or adjustments done by anyone other than an authorized representative of Wildflower Dental, etc.
- The warranty is null and void if the restorative work needs to be removed or is damaged due to a dental issue, procedure or repair to the supporting tooth/teeth including but not limited to root canals, recurrent decay, extractions etc.
- The warranty does not include any cost associated with routine maintenance required over the course of its working life.
- If the doctor determines a night guard is necessary to maintain and protect your restorative work, the warranty will be null and void if you do not have one fabricated or neglect to use it.
